Hangzhou Ownseas Pen Co., Ltd

INTRODUCTION

TO COMPANY

OWNSEAS is headquartered in the picturesque county of Tonglu, with a modern factory in Dongxi industrial zone and a sales office near Xixi Wetland, one of the most famous scenic spots in the city of Hangzhou.

Incorporated in 2001, OWNSEAS specializes in stationery and apparel accessory gifts, integrating product design, R&D, production and marketing into a whole.

OWNSEAS has positioned itself as a reliable partner to jointly design and develop new products with customers. The last couple of years have witnessed the successful launch of hundreds of fascinating products with involvement from OWNSEAS and its customers from Japan, USA and Europe. Thus, a value chain of "individualized development, custom production, exclusive marketing" has taken shape. Our aim is to help every link in the chain of "consumer-middleman-producer-developer" materialize their own value.

With multiple divisions as design & development, business management, engineering and manufacturing in place, OWNSEAS is ready to offer comprehensive services for our target customers.

We firmly believe that:

customers are our final salary payers;

to create value for customers is our ultimate goal.
